Hi Thomas and Greg,

We have determined that your permit application is administratively complete and will begin our technical review of the application (see attached letter).

Best,
Calvin

Gregory,

Please submit the items to EPA via the GSDT. We couldn't upload a copy of the letter to the GSDT at the moment due to a glitch of the system but will do so when the issue is fixed.

The 'Kern County' application on the list is for another facility.

Best,
Calvin

Calvin and David, thank you – we will proceed to complete the items listed in your letter. When these items are complete would you like us to submit to you via email and/or the GSDT system?

We're also curious if the 'Kern County' application on this list is for San Joaquin Renewables, or another facility? Best,
Greg
